

## *Favor Declaration*

*Father in the name of Jesus we are the righteousness of God and entitled to your covenant kindness and covenant favor.*

*We declare, that favor is among us and surrounds GREATER CHURCH in everything we do and everywhere we go, and we expect it to be in full manifestation in our ministry.*

*We declare that Never again will we live without the favor of God, which rest richly upon GREATER CHURCH, and profusely abounds in us, as we are a part of the generation that is experiencing your favor, immeasurably, limitlessly and surpassingly.*

*Therefore, favor produces, supernatural recognition, increased restoration, honor, assets, greater victories, prominence, preferential treatment, petitions granted, policies and battles that we didn't have to fight for; won.*

*We declare, the favor of God is on GREATER CHURCH and it goes before us, therefore GREATER CHURCH will never be the same.*

*GREATER, this is our time for God's favor.*

*In Jesus name.*

*Amen!!!*
